What would you like in there? Since we discussed everything previously already?

Me Nov 17, 2024, 8:32 PM
It's nothing at all. Just needed to fill out it. Don't need to worry about this.

Right now I can start working on your project. So don't worry, I will start work on your project and get back to you soon.

Thank you so much for your time and your order.

Hi how are you bro,
Just wanted to ask if any usability is on the website yet which we can test as we go along.
Also did you get a chance to look into the API and Zapier?

Me Nov 20, 2024, 1:42 AM
I'll let you know.
